

# INVEST IN YOUR CHILD'S SCHOOL

Parents invest their time and money in order to support teachers and enhance their children's education.

## Providing Time

Whether you're interested in assisting at a one-time event or chairing a committee, the PTO and SEF need your help. There's something for everybody, and every job makes a difference.

## Providing Funds

Fundraising is an important part of supporting our school. The inside of this brochure explains the major fundraisers that we hope every family will support.

The following also raise a minimal amount of money for the PTO, but they are mainly provided as a service to families:

- Square One Art
- Spirit Wear

## Other School Events and Services

The school organizes several events, such as the Fun Run and Scholastic Book Fairs. Classroom reps also collect money for classroom parties. **While these events and services are worthwhile and supportive of the school, these are not PTO or SEF fundraisers.**

## PTO MISSION

Build partnerships among the school community members (students, parents, and staff) and to promote an environment that nurtures and supports exceptional learning.

## SEF MISSION

Support the Eden Prairie Spanish Immersion program, through sustainable funding, to host the best volunteer international Spanish-speaking interns and provide other educational and cultural resources.
