PARENT INFORMATION NIGHT & FUNDRAISING

ANNUAL CONTRIBUTIONS CAMPAIGN

August & September

Parent Information/Curriculum Night is Monday September 16th. Remember, this is a parent only event and an opportunity to learn more about your student's classroom experience throughout the year.

If you didn't have a chance to make your annual contribution at Open House, you can make it at Curriculum night! The SEF will be there accepting contributions by check, cash or credit card.

Thank you to all the families who contributed at Kinder night and Open House. **Congratulations to our first two Cinco ticket winners: Brian & Priscilla Golden. Making a contribution before or at Curriculum night adds your name to the third ticket drawing!**

You can also make your contribution online instead at www.spanisheducationfund.org. You can even set up budget friendly monthly payments via PayPal using the subscribe button!

Annual Contributions are the SEF's main source of funding for the Intern Program. We receive no financial support from the school district or schools. The intern program is 100% parent funded. If we do not reach our goal of \$100,000 we must begin reducing the number of interns we can invite to our school each year.

Your support is vital to the continuation of this important component of our children's immersion education. **Thank you for your support!**

EMPLOYER MATCHING

Don't forget... employer matching and workplace-based donation campaigns are another source of funding for the intern program. Many employers will match their employee's donation, doubling the gift. Several families participate in these each year. To find out if your company matches, contact your human resources department or contact our treasurer, Wayne Bailey at waynerbailey@gmail.com.

If you have already made or are planning to make a matching donation, please send any documentation or instructions from your employer to Wayne. If you don't receive anything from your employer about your matching donation, please send an email to Wayne which includes your name, employer, amount of donation, date of donation, email address, phone number, and student's name, and she will look into it for you.

INTERN UPDATE

BIENVENIDOS

The SEF is excited to welcome 16 new interns this year to Eagle Heights, CMS and the high school. Our interns come from Colombia (8), Spain (4) and El Salvador (4) and range in age from 22 to 26 years old. We have 7 male interns and 9 female interns.

The interns are very excited to meet families, get to know students, assist teachers, improve their English, share their culture, and explore Minnesota and the United States. To learn more about the interns in our schools, please visit the [intern page](#) on the SEF website.

Back Row: Estefany Ramirez, David Gómez, Álvaro Pozas, Edward Quintero, Jeison Díaz, Juan Carlos Moreno, Marta Esteban

Center Row: Esteban Urrego, Sofía Arenales, Sara Herrera, Angie Aguirre, Nicolás Calderón

Front Row: Yaquelin Ortíz, Ivonn Rosero, Gabriela Mendez, Ana Castillo

MEET THE INTERNS AT THE FUN RUN!

Saturday, October 5 | 10 am | **CMS fields**

The SEF international interns will be participating in the Fun Run on October 5. After the Fun Run, be sure to come to the SEF table and meet your child's classroom intern. Interns will be there to meet families and talk about themselves and their culture. The SEF will also be providing healthy snacks at the Fun Run, so stop by and say hello!

VOLUNTEER OPPORTUNITIES

Communications Chair Position

The SEF is currently seeking someone to shadow this year's Communications Chair. If you are interested or have questions, please contact Toni Alcantar at tma@bluedoglaw.com.

Description: The Communications Chair distributes all information from the SEF to Spanish immersion families regarding the International Teaching Intern Program. Information is distributed via flyers sent home with students, e-blasts, Facebook posts, SEF website and SEF monthly newsletter. Information sent to families includes: upcoming intern and fundraising events, volunteer needs, intern needs and updates. A working knowledge of Microsoft Word, Microsoft Excel, Adobe Acrobat, Facebook and email software (Mail Chimp) is helpful.
